SURIA CAPITAL RECOGNISED FOR SECOND CONSECUTIVE YEAR AT THE EDGE CENTURION CLUB AWARD 2025

Suria Capital Holdings Berhad has once again been recognised among Malaysia's top-performing listed entities, securing The Edge Malaysia Centurion Club Award for 'Highest Returns to Shareholders Over Three Years' in the Transportation and Logistics sector. This marks the Group's second consecutive win in this distinguished category.

The award was presented by YB Senator Tengku Datuk Seri Utama Zafrul Tengku Abdul Aziz, Minister of Investment, Trade and Industry, during the Centurion Club Awards 2025 ceremony held in Kuala Lumpur. The recognition affirms Suria's sustained performance and ability to deliver strong shareholder value over a rolling three-year period.

"We are honoured to be recognised once again by The Edge Malaysia. This consecutive win reflects the confidence of our shareholders, the resilience of our business model, and the dedication of our team in navigating a complex operating environment." said Datuk Ng Kiat Min, Group Managing Director of Suria.

The Edge Centurion Club Award recognises excellence among listed companies on Bursa Malaysia with market capitalisations between RM100 million and RM1 billion. These awards honour firms with strong fundamentals, consistent profitability, and superior shareholder returns over a three-year period. Suria stood out as the top performer in the Transportation and Logistics sector, driven by its robust shareholder returns - a combination of capital gains and dividend payouts- during the evaluation period ending March 2025. Suria's recognition builds on a sustained trajectory of capital growth and long-term value creation.

"We extend our heartfelt appreciation to our shareholders, business partners, and all who have played an instrumental role in our journey. This recognition is a testament to their continued trust and support, which has empowered us to grow stronger and strive further," Datuk Ng stated.

Suria's performance has been bolstered by key developments, including the continued expansion of its property development portfolio and sustained efforts to modernise port infrastructure in alignment with regional and national growth agendas.

Looking ahead, Suria remains focused on strengthening its performance and growth trajectory, with strategic plans underway that support Sabah's aspirations in logistics, tourism, and regional connectivity.
